MEETINGS WITH THE RECTOR OF THE UNIVERSITY OF CYPRUS: I had meetings with the Rector (together with the the Maronite Representative) to discuss the agreement between the University of Cyprus and Terra Santa College to develop Terra Santa College into a School of Excellence. The discussions are still in progress.

NEW BOARD OF THE 'LATIN YOUTH ASSOCIATION': A new Board was elected by a Latin Youth Association meeting which took place on 24 March at 'The Latin Centre'. The new Board will hold its first meeting on 17 April. I look forward to hearing from any Latin who may be interested to be a member of the Latin Youth Association.

REGISTRATION OF 'CYPRUS LATIN RELIGIOUS GROUP ASSOCIATION': the establishment of this new Association is to manage 'The Latin Centre' and to organise events there as well to support other events of the Latin Community. Any Latins who want to sign the constitution of the new Association so that we can proceed with its registration are kindly requested to get in touch with me.

I extend to you and your families my warmest wishes for a HAPPY EASTER!
